SECRET 25X1 The Stockhausen-Langensalza road was no longer blocked at the 25X1 Kindel training grounds on 20 October. The cantonment buildings on either side of the road about 5 km southwest of Grossenbehringen were apparently vacant. Four JS tanks and approximately 25 trucks were seen at a parking lot south of the road. At 1300, a shipment of approximately 12 x 100 or 85-mm AT guns, 20 trucks, 1 prime mover and 10 to 15 boxcars with soldiers was seen east of Erfurt. The train was headed toward the east. 25X1 6. At 0030 on 11 October, a shipment of 7 T-34/85 tanks 8 motor vehicles and approximately 19 25X1 boxcars with approximately 400 soldiers passed through Erfurt and proceeded toward Sangerhausen. 2 On 18 October, a train with 12 x 57-mm AT guns, 4 x 120-mm mortars, 15 to 17 trucks and 27 boxcars with approximately 700 soldiers was seen in Gotha. The train came from the direction of Eisenach and was headed toward the east. 25X1 7. The following units arrived in Naumburg between 7 and 19 October: 7 and 8 October. An advance detail of 300 to 400 infantrumen in the Bluecher Kaserne (8381). 25X1 25X1 11 October. An advance detail of approximately 200 artillerymen in the Hubertus Kaserne (8582). 25X1 25**X**1 16 and 18 October. Thirty new two-axle trucks 25X1 in the Hindenburg Kaserne (8383). 25X1 19 October. At 1100, 30 trucks and radio trucks 25X1 and approximately 300 soldiers weering red-bordered black epaulets and red epaulets in the Hindenburg Kaserne. The unit was detrained at the Ostbahnhof. 25X1 25X1 At 1000 heavy engineer equipment in the Hubertus Kaserne. The equipment was unloaded at the main railroad station.1 Between 1 and 16 October, the Infanterie Kaserne (8521) in Weissenfels was occupied by ammroximately 1,000 soldiers, two thirds of which wore black-bordered red epaulets; the others wore red-bordered black e-aulets. On 5 October, 1 truck with 1 x 57-mm AT gun was

- seen in the yard. On 13 October, 10 soldiers from the installation practiced the construction of telephone lines near Klembers (hill).
- Between 1 and 16 October, the Pionier Kaserne (8522) was occupied by an estimated 800 soldiers wearing red-bordered black epaulets with tenk insignia. On 12 and 16 October, 2 T-34/85 tanks were seen in the yard. Local residents stated that elements of the units from Weissenfels were still at the Kindel training grounds in mid-October.
- 10. At noon on 6 October, an engineer practice was held on the Saale River, in the Schulpforta section, near Bad Koesen. Arroximately 100 soldiers constructed a bridge with TMP bridge building equipment across the swollen river. Twelve to 15 trucks and several pneumatic rafts were seen on the east bank of the river.1
